FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Secretary
Federal Communications Commission
Washington, D. C. 20554

Dear Sir;

RECEIVED BY

Reference: The most recent FCC action based upon the provisions of
47CFR Part 97.3(a)(23) and 97.113(c)

Is this a message to the Amateur Radio Community to cease and desist
from the dissemination of information that does not fall within the
definition contained in Part 97.3(a)(23). I have difficulty in determining
what subject matter is of direct interest to the amateur service.

Does this govern the dissemination of such subjects as religion and
politics?

I am fully informed of your neutral position and responsibility in the
commercial broadcast industry as delegated by the congress and question
whether you do/do not maintain this same position for the amateur radio
service.

Sincerely,

William H. King
